

Andrew Baseball Set to Open Season; Scot Hemmings Earns Award

The Andrew College baseball season begins this Saturday and Sunday with a three game set at North Florida. The Tigers begin their season with much anticipation coming off of a 34 win season and a third place finish in the State Tournament. Georgia Dugout Club GJCAA coach of the year Scot Hemmings has the Tigers ready to make a run at another State Tournament bid. The Tigers head back out on the road Tuesday with an evening contest versus Okaloosa-Walton. The 56 game schedule includes non-conference opponents Gulf Coast, Wallace-Dothan, Central Alabama, Bishop State, Enterprise-Ozark, and Tallahassee. For the conference schedule Andrew will visit Young Harris, South Georgia, Truett-McConnell, and Middle Georgia. The Tigers will play host to Georgia Perimeter, Darton, Gordon, and ABAC. Come support the Tigers as they open up at home Sunday, February 4th, against Central Alabama. Follow the Tigers along this season as updates will be posted as they become available.
