

# **Bishop, Faulk, and Sutton Sign!**

**Ric Bishop, Kenny Faulk, and Joe Sutton signed letters of intent to play at a four year institution next season. Both Bishop and Faulk signed at Kennesaw State University while Sutton signed at University of Alabama Huntsville.**

**Bishop batted .352 with 44 runs, 16 2B, 5 HR, and 38 RBI's in his freshman season at Andrew College. Coach Hemmings said, "Ric had a great season for us and was a big part of our 34 win season last year. I do not think we have seen the best of Ric's ability to hit after a year lay-off before arriving to Andrew."**

**Faulk had 5 wins, 81 IP, 51 K's, 36 BB, and a 3.37 ERA in 2006. "Kenny had some big wins for us last season and really developed into a good pitcher throughout the course of the season. With a little more work on his mechanics, Kenny has the stuff to do some great things for us this season."**

**Sutton batted .341, 43 hits, 23 RBI's, and struck out only 5 times in 126 AB's. "Joe is a true competitor and we are going to miss his presence on our team next year. He comes to work everyday and leaves everything he has out on the field. Joe is a prime example of that hard work does pay-off in the long run."**

**We would like to congratulate all three of these guys for their hard work and dedication to our program. All three players will graduate in May and all three have over a 3.0 GPA. Coach Hemmings states, "I am proud of all three young men and we want to thank them for contributing to our program with their hard work on the field and in the classroom. These three players represent the Andrew College baseball program in a professional manner and make me proud to be their coach." Andrew College would like to congratulate Ric Bishop, Kenny Faulk, and Joe Sutton on their accomplishment.**
