

## **Brandie Monroe commits to Georgia College & State University**

Andrew College's Brandie Monroe has decided to further her academic and athletic career at Georgia College & State University in Milledgeville, Ga. Monroe capped her sophomore year by hitting .327 in Region 17 play, and was named second-team All-Region 17 as a catcher. Monroe shifted behind the plate to fill a large hole caused by injuries halfway through the year, but will play infield for the Lady Bobcats. Georgia College & State plays in the highly competitive Peach Belt Conference in NCAA Division II. Head Coach Ginger Chaffinch has molded several nationally-ranked teams in her 5 years at Georgia College & State. Monroe joins Brittany Wilson, who signed with Savannah State last year, as the 1<sup>st</sup> two of Coach Mark Brown's players who have gone on to the next level.
