Andrew College's AndrewServes scholars begin new academic year

CUTHBERT, GA. – The Andrew College AndrewServes Servant Leadership Program welcomed its Scholars to campus on Wednesday, August 10 to attend their annual Fall Retreat. Seven returning AndrewServes Scholars joined 11 freshmen as they participated in name games and team building challenges. The retreat was held at The Rock Ranch in The Rock, Georgia. Scholars completed a series of challenges designed to target and strengthen particular skills needed to work in group settings. The day ended with a zipline and a presentation on the model of service that the Truett Cathy family teaches their employees.

Malanie Burnett, director of AndrewServes, commented, “It’s always fun to watch a group get to know each other and figure out the dynamics of working together. We have a diverse group of hardworking students and I am excited to see what the year will bring as we begin our service to the community.”

The AndrewServes Servant Leadership Program will kick off the 2016-2017 school year on Saturday, August 20, with their annual Day of Service. Bringing faculty, staff, and students together in support of the local community, the Day of Service focuses on service projects throughout Randolph County. To learn how you can get involved or to recommend a service project, contact Kirsten Cochran at 229-209-5145 or kirstencochran@andrewcollege.edu.

#####

Established in 1854, Andrew College is a small, residential, two-year College related to The United Methodist Church and is accredited by the Southern Association of Colleges and Schools Commission on Colleges. Situated in the rural southwest Georgia community of Cuthbert, Andrew College offers the Associate of Art, Associate of Music, and Associate of Science degrees.
