Andrew College receives final approval for cancer registry management certificate program

CUTHBERT, GA. – Andrew College passed the final hurdle in the process of creating an online Cancer Registry Management program. On Thursday, August 17, the Southern Association of Colleges and Schools Commission on Colleges (SACS) approved the program and have included it in the scope of the current Andrew College accreditation profile.

Dr. Richard McCallum, interim academic dean for Andrew College said, “We are pleased and delighted to receive SACS approval. This new certificate program will respond to an important educational need. We are especially excited to have our first program that will be delivered completely online.”

Paulette Zinkann has been hired as an assistant professor and director of the cancer registry management program. She will administer and teach courses for the new program. Andrew College is currently accepting students for the 2018 spring semester which will begin January 9, 2018.

###

Established in 1854, Andrew College is related to The United Methodist Church and is accredited by the Southern Association of Colleges and Schools Commission on Colleges. Situated in the rural southwest Georgia community of Cuthbert, Andrew College offers the Associate of Art, Associate of Music, Associate of Nursing and Associate of Science degrees as well as the new B.S. in Business Administration degree.
