For Immediate Release

July 24, 2017

### **Andrew College welcomes new students to campus**

CUTHBERT, GA. – One hundred new students and their families have been on the Andrew College campus this summer for InSpire orientation days. Incoming students have gathered in the Liddie Murphy Theatre for meetings, a welcome skit performed by InSpire student leaders and academic success sessions.

During sessions, families have their financial aid questions answered and students are able to sign up for classes, meet future roommates and take part in Accuplacer testing. Future friendships are formed and faculty, staff and coaches are able to get to know new students also during the day. The final InSpire Orientation session will be held on Friday, July 28.

Andrew College is still accepting students for the fall semester. For more information, contact the Enrollment Services Office at 229-732-5938. Classes start on August 15.
