Andrew College welcomes new students to campus

CUTHBERT, GA. –Close to 140 new students and their families have been on the Andrew College campus throughout the summer as they attended one of the four Inspire Orientation days. Incoming students have gathered in the Liddie Murphy Theatre for meetings, a welcome skit performed by InSpire student leaders, and academic success sessions.

Families attended financial aid seminars as students registered for classes, met future roommates and took part in Accuplacer testing. Future friendships have been formed and faculty, staff and coaches were able to get to know new students during the day.

The final Orientation day was held on July 27. Students are now arriving for the fall session and classes will start on Tuesday, August 14.
