August 13, 2018

Andrew College freshmen plant tree

CUTHBERT, GA. – Andrew College’s incoming class of 2020 celebrated their arrival on Saturday, August 11 by planting a Nuttall oak tree on campus. The tree was donated by the local nursery SuperTree located in Shellman, GA.

President Linda Buchanan spoke to the new class and asked them to envision the meaning of growth and intention, and to consider the mark they can leave on Andrew long after they’ve graduated — for the life of the tree—over the next 20, 50, or even 100 years.

Photo outline: Incoming Andrew College freshmen help plant a tree on campus as part of their orientation to the college. Pictured holding the tree is President Buchanan.

#####

Established in 1854, Andrew College is related to The United Methodist Church and is accredited by the Southern Association of Colleges and Schools Commission on Colleges. Situated in the rural southwest Georgia community of Cuthbert, Andrew College offers the Associate of Art, Associate of Music, Associate of Nursing, Associate of Science and Bachelor of Business degrees.
