For Immediate Release

August 14, 2017

### **Volleyball team takes on Kindness Rocks Project**

CUTHBERT, GA. – The Andrew College volleyball team has joined the Kindness Rocks Project. In addition to a lot of intense volleyball practice last week, the team spent three evenings painting inspirational rocks. After painting, the rocks were hidden on campus in hopes of lifting up the person who finds them and to be a welcome to new students.

Donna Rountree, volleyball coach, said “We have a Facebook page we would love for you to like, Andrew Volleyball Rocks. And, should you find one of our rocks, please take a picture with your rock and post it there.” She said that finders were welcome to keep their rock, but if they felt compelled to share it again, to please do so on campus and post a hint where it could be found on their Facebook page.

In addition to the campus project, the Andrew family was invited to spread the kindness and inspiration forward. A rock painting party will be held this week to paint inspirational rocks for the community. The rocks will be hidden off campus to spread kindness throughout Cuthbert.

Coach Roundtree commented, “We hope we can bring a little sunshine and inspiration into your lives and the lives of those within our community.”
