Event Planning Form

Good planning is essential to a successful event. This pre-event planning form provides you with a series of questions to consider when planning your next organizational event. Please keep in mind that all activities should be consistent with university policies and procedures, as well as the mission of your organization. In order to allow for optimal planning of your event, we suggest this form be completed 1-2 months prior to your event. This should give you adequate time to plan appropriately.
