FACT BOOK

2016-2017

Preface

The Andrew College Fact Book 2016-2017 includes data from the academic year 2016-2017 which includes Fall 2016, Spring 2017, and Summer 2017 data. The Fact Book is intended to be a reference with quantifiable data about Andrew College's students, staff, financial and physical resources. It serves as a source of facts about Andrew College and is used by administrators, faculty/staff, alumni, and others who may need information. This edition of the Fact Book contains Andrew College Quick Facts Fall 2017, a summary of enrollment, demographics, and executive summaries of the assessment measures collected during the 2016-2017 academic year. The efforts of numerous individuals throughout the College are reflected in the Fact Book 2016-2017, including but not limited to the Departments of Academic Affairs, Student Affairs, Library Services, Athletics, the Administrative Division, the Financial Division, and Enrollment Services. Since this Fact Book 2016-2017 should be a relevant and functional tool, your suggestions for improving subsequent editions are welcome. Please submit user comments using the form provided at the back of this document.

INTRODUCTION

Historical Purpose

For more than a century, Andrew College has specialized in the education of freshmen and sophomores. Andrew students enjoy the advantages of a small, residential campus. Students are afforded the opportunity to develop and demonstrate participatory and leadership skills that many times would be delayed at larger senior institutions. As a United Methodist Church related institution, the faculty and staff are dedicated to the spiritual and intellectual development of students.

Mission Statement

Andrew College - the United Methodist beacon of educational, spiritual, and cultural uplift to Southwest Georgia since 1854 - prepares students for lives of servant leadership and purpose through higher education that is relevant to its region and beyond.

The Andrew College experience is positively life-changing.

Values

Support – Concern for academic and personal development

Integrity – Accountability and civility in discourse and behavior

Resilience – Flexibility and grace through challenges

 $Growth-Meeting\ students\ where\ they\ are\ and\ facilitating\ personal\ and\ professional\ progress$

Service – Awareness of individual gifts to be used in both local and global communities

Philosophy

In keeping with its Christian heritage, Andrew College provides an environment which prepares students for further study at a senior college and enables them to understand themselves as persons of responsibility and potential within the global community. Andrew is not sectarian and its services are open without regard to race, gender, ethnicity, creed, or economic status.

Andrew College seeks to achieve its purpose by providing the following advantages:

- Opportunity for intellectual, social and spiritual growth;
- A professionally competent faculty dedicated to teaching;
- Individual attention to students at all levels of operation within the college;
- A two-year curriculum that parallels that of four-year colleges and universities;
- A cultural enrichment program which encourages students to appreciate the arts;
- The opportunity to learn leisure time skills which lead to the development of a healthy body;
- Redemption in the basic skills;
- Orientation experiences for successful adjustment to college life;
- Academic advising;
- Challenging programs for the intellectually gifted student;
- A student community committed to the earning of a college education;
- Cultural and academic resources for the community and the churches of the area.

Historical Highlights

The Andrew College charter is the second oldest charter in the United States for giving an educational institution the right to confer degrees upon women. The college opened in 1854 as a four-year college known as Andrew Female College. It was named in honor of Bishop James O. Andrew, who was responsible for the founding of the Methodist Episcopal Church, South. In 1856 Bishop Andrew came to Cuthbert to dedicate the school to "the service of God."

During the period of the Civil War, classes were held in town and the College buildings and facilities were used by the government of the Confederacy as Hood Hospital. In 1866 the school included in its curriculum a course in physical training, the first such course to be required of women in the South. Then, in 1892, the existing Andrew Female College buildings burned; however, funds were raised immediately by the people of Cuthbert, and "Old Main," the present administration building, was constructed. Warren Bush Hall, the first classroom building, was constructed in 1900 and Cuthbert Hall was constructed in 1912,

thereby joining "Old Main" and Warren Bush into one unit. These facilities are currently in the midst of a multi-year renovation.

In 1917, Andrew College became a two-year college. Because it was still offering preparatory programs, it remained a member of the Southern Association of Secondary Schools. Andrew remained a college serving only women until 1956, when it became coeducational.

A period of expansion began in 1948 with the construction of the original Pitts Library. Patterson Hall was built in 1961, Rhodes Hall in 1963, and the Parker Physical Education Building in 1966. The year of 1967 brought construction of the new Pitts Library, Mitchell Hall, and the remodeling of the original library into the Suarez Fine Arts Building. In January of 1984, The Don Abbott Turner Dining Hall opened, and in 1985, the Charlotte and Idus Rhodes Science and Computer Center was completed. In September 1986, the Jinks Physical Education Complex was opened. A new three-story residence hall, the Fort Building, was completed in 1999 and the Phyllis and Jack Jones Chapel in 2001. In 2007, the intramural field was dedicated and renamed to Crispin and Jimmy Gilbert Field in honor of their longtime service to Andrew College.

Accreditation

Andrew College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the following degrees and certificate: Associate of Arts (AA), Associate of Science (AS), Associate of Music (AM), Associate Degree in Nursing, (ADN), the Bachelor of Science in Business Administration, (BSBA) and the Cancer Registry Management Certificate. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Andrew College.

The United Methodist Church

Andrew College is endorsed by the University Senate of The United Methodist Church as an affiliated United Methodist institution.

STUDENT LEARNING OUTCOMES

Andrew College offers three associate degrees: Associate of Arts, Associate of Music, and Associate of Science. The curriculum offered at Andrew parallels the general education requirements offered by institutions of the University System of Georgia. Each degree program is focused on specific program level student learning outcomes (PLOs). Assessments to gauge the effectiveness of the program in achieving these outcomes are embedded within specific courses required within the curriculum. The PLOs and their relationship to specific courses within the curriculum are illustrated for each program by the curriculum map. The data presented is reflective of multiple assessments taken over the academic year by multiple instructors, and in multiple courses and delivery modes.

A.A. -Associate of Arts

Program Mission Statement: The Associate of Arts Degree program exists to support the College Mission of providing an academically challenging liberal arts curriculum by preparing students for lifelong learning by teaching them to communicate effectively, think critically, and understand and appreciate cultures different than their own.

Institutional Outcomes (IO):

- A. Communication Skills
- B. Critical Thinking and Analytical Skills
- C. Cultural Awareness and Appreciation

Program Learning Outcomes (PLOs):

- 1. 70% of students will demonstrate effective written communication skills. (IO-A)
- 2. 70% of students will demonstrate effective oral communication skills. (IO-A)
- 3. 70% of students will demonstrate critical and analytical thinking skills. (IO-B)
- 4. 70% of students will articulate a broad understanding of global cultures. (IO-C)
- 5. 70% of students will apply the scientific method to explore the physical universe. (IO-B)
- 6. 70% of students will demonstrate an understanding of social science methodologies as a means to explain human action. (IO-B)
- 7. 70% of students will demonstrate skill to engage in a lifetime of health and wellness. (IO-B)

STUDENT ACHIEVEMENT

Fall to Spring Retention Rates

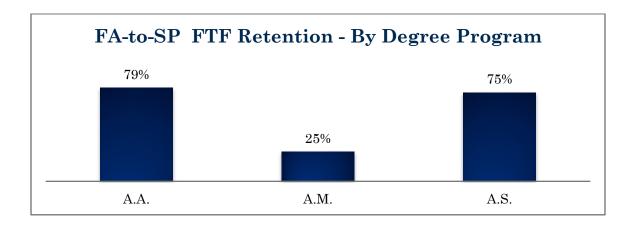

Fall to Spring Retention Rates are presented as the percentage of a student group enrolled in the fall who return as full time students in the succeeding spring term. Data is reported for FTF (first term freshman) cohorts.

Fall to Fall Retention Rates

Fall to Fall Retention Rate is defined as the percentage of first-time freshman students enrolled in a fall term at Andrew College and who continue enrollment at Andrew College in the succeeding fall semester.

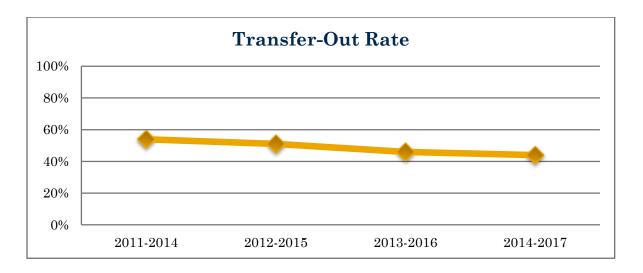

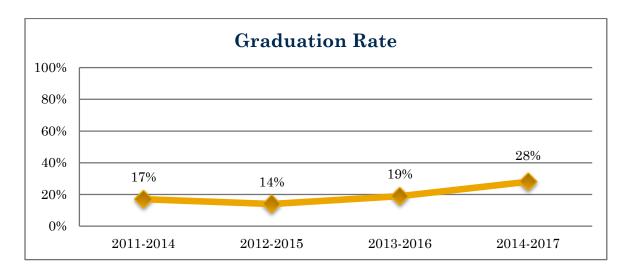

Transfer-Out Rates/Graduation Rates

Transfer-out rates are often a better indicator of institutional success than graduation rates for Andrew College since it offers only transferrable associate degrees. Both transfer-out rates and graduation rates are measured for first time freshman (FTF) cohorts over a 3-year time period.

	2011-2014	2012-2015	2013-2016	2014-2017

FRI

The **financial responsibility index (FRI)** is a composite of three ratios derived from its audited financial statements (primary reserve ratio, equity ratio, and net income ratio). FRI scores range from -1 to 3. A score greater than or equal to 1.5 indicates the institution is considered financially responsible.

2.86	2.2	2.7	2.97	2.51	2.38	3.00	

CFI

The **composite financial index (CFI)** score provides an indication of the institution's financial strengths and weaknesses. It assesses financial health by using four financial ratios (primary reserve ratio, net operating revenues ratio, return on net assets ratio, and viability ratio) to produce a CFI score ranging from -4 to 10. The College's goal is to maintain a CFI calculation of 3.0 or greater.
