_____ I do not authorize

the use of Federal Direct PLUS loan funds to satisfy any other educationally-related institutional charges (beyond tuition, fees, and room and board contracted with Andrew College) which the student may incur. Examples of these other educationally-related charges may include parking or transportation fees, books insurance, and equipment rental fees. If any Federal PLUS loan funds will be available in excess of the student's tuition, fees, and room and board contracted with Andrew College (and other additional educationally-related institutional charges, if authorized above), Andrew College will deliver these excess funds to me _____ or to the student _____ **[please check one]**. I understand that Andrew College will issue a Federal PLUS loan credit balance to the party indicated above within the term the credit is created but no later than fourteen (14) calendar days of the date the Title IV credit balance appears on the student account.

I understand that this authorization **is at my option** and I may cancel or modify at any time, but **not retroactively**, by contacting the Student Financial Aid Department or the Business Office in writing and by completing, signing and dating a new authorization form. This authorization will be in effect for the entire length of enrollment and will end upon withdrawal/graduation unless I advise Andrew College that I wish to cancel or modify it.
