

Travel

When playing on the road, our athletes usually travel in either an Andrew College bus or charter buses equipped with amenities such as comfortable seats, bathrooms and DVD players. Andrew teams play regular season opponents in Georgia, Florida, Alabama, South Carolina and Mississippi. Athletes are provided Andrew College athletic gear (t-shirts, bags, etc.) at no cost.

Can't get to the Game?

We live stream most home games via the Andrew College Digital Network, available on the Andrew College website, www.andrewfightingtigers.com.

Scholarships

Andrew College offers both athletic scholarships and a variety of other aid programs to help you afford the cost of college.

For more information (including a player questionnaire), go to www.andrewcollege.edu and click on the Athletics tab.

"Being a student athlete at Andrew was a great experience. It helped me grow as a young adult. I knew I had to keep up my grades in order to play and I got help when needed. The bonds and friendships I made at Andrew will last a lifetime."

Explore what Andrew College athletics has to offer.

The athletic program at Andrew College is based upon the idea that student-athletes are just that, both students **and** athletes, and that success is measured both inside the classroom and on the field or court. We fully support the fact that you want to compete at the college level, but also recognize that you also need a quality education that prepares you to successfully transfer to a four year institution when you complete your degree at Andrew.

Exceptional Academics

Andrew's quality education program offers more than 20 academic areas of interest. Our general curriculum is aligned with the University System of Georgia and the college has articulation agreements with over 20 colleges.

Over the past several years, Andrew College athletes have maintained a higher average GPA than the student body as a whole. In fact, a majority of our full academic scholarship recipients over the past 4 years have been student-athletes.

We know that being an athlete sometimes means that you must miss class for games. To help make sure you don't fall behind, coaches monitor required study hall hours for players during the week and athletes (as well as the rest of the student body) can take advantage of free face to face and online tutoring.

Planning to take your game to the next level?

Many Andrew College athletes continue their sports careers after graduation. You'll find former Andrew College athletes playing at all divisions of the NCAA as well as the NAIA. There are even a few of our former student-athletes playing professionally.

Affiliations

Andrew College currently fields 10 intercollegiate teams that compete in the National Junior College Athletic Association (NJCAA) as a member of the Georgia Collegiate Athletic Association (GCAA).

Facilities

Our baseball, softball and soccer teams play at the Hord Athletic Complex, located a short distance from campus. Both baseball and softball fields are equipped with state-of-the art lighting for night games.

The Parker Physical Education Building houses Jinks Gymnasium which is

home to women's and men's basketball and women's volleyball. Locker rooms, training rooms, weight room and racquetball courts are also located here.

Gilbert Field, located on the Andrew College central campus, serves as a training field, intramural location and game field for our lacrosse programs.

Andrew's golf team practices at Meadow Links Golf Course, a short drive away at Bagby State Park.
