ELE467 Teaching Reading (3 hours)
(Pre-co/requisite- ELE300 and ELE310)

This course provides candidates with a fundamental framework in teaching reading – topics include terminology, theories, word recognition, phonics, fluency, vocabulary, and comprehension strategies and skills. Observations and artifacts will be recorded in the E-portfolio.

ELE477 Reading Instruction and Assessment in the Content Areas (3 hours)
(Pre-requisite ELE467)

This course provides for candidates the ability to gain knowledge and practice with using specific strategies in the content area classroom. Students will gain the ability to analyze and understand, select, and use appropriate assessments to gather evidence for all students' content knowledge and literacy processes within a discipline for instructional and accountability purposes. Observations and artifacts will be recorded in the E-portfolio.

ELE497 Reading Environment (3 hours)
(Pre-requisite ELE487)

This course instructs in-service teachers to use a variety of strategies and practices to plan effective reading and writing instruction. Includes creating a literate environment that fosters reading and writing by integrating foundational knowledge, instructional practices, approaches and methods, curriculum materials, and the appropriate use of assessments. A 30-hour field experience is required; candidates must pass a criminal background check prior to field experience.
