ANDREW
MEANS
NURSING

www.andrewcollege.edu

Nursing is a rewarding profession with many opportunities. Your journey at Andrew College can give you the chance to explore medical fields ranging from pediatrics to critical care. Upon graduation, you could find yourself working in a hospital, health clinic, outpatient center or other facility.

Curriculum/Coursework

Andrew College offers a two-year Associate Degree in Nursing. Students are required to enter in the Fall semester and take a Summer term in order to complete the program in sequence.

Admission Requirements and Pre-Requisites

1. Admission to Andrew College
2. Completed nursing application, including supplemental documents and unofficial transcripts from all colleges attended
3. Minimum 2.8 college grade point average
4. Completion of the following college courses: English Composition I, College Algebra and Introduction to Psychology
5. Completion of college Anatomy and Physiology I & II within the last five years with a grade of "C" or higher
6. Required Kaplan entrance exam (see <https://www.andrewcollege.edu/nursing-application-process/>)

Clinicals

As part of their field of study, students are required to take part in supervised clinical rotations in numerous designated southwest Georgia locations. More information can be found at <https://www.andrewcollege.edu/nursing/>.

Financial Assistance

Check with the Financial Aid office to learn about any scholarships or financial assistance for which you may qualify.

Preferred Admission Consideration

Incoming students not meeting the admission and pre-requisite requirements are encouraged to enroll in the Health Science program at Andrew College. Andrew College students successfully completing the pre-requisites and other requirements while maintaining a 2.8 or higher GPA are eligible for preferred admission consideration into the nursing program for the following year. Acceptance is competitive, as seats are limited. Meeting minimal admission requirements does not guarantee acceptance.
