My Andrew journey

“Through Andrew College, God showed me how my life purpose is far greater than me, creating opportunities to bring all people together through leadership, art and love. My favorite moments here were performing live singing and dancing with the band in Magnolia Alley, acting as Fletcher Henderson in Arts ‘Round the Square, displaying my work in art shows, and being a captain, player, and coach with the Andrew College Men’s Soccer Team . I have created so many memories with my Andrew family .”

Fine and Performing Arts

Music

The Associate of Arts in Music degree (AM) is offered with a vocal, piano, or instrumental emphasis. Music students will take courses in music theory, aural skills, and applied lessons.

Students participating in the music program receive training which allows them to pursue a Bachelor of Music with emphases in performance or music education.

Theatre

Theatre students are able to be involved in productions beginning as early as their first semester, giving them valuable experience both on stage and behind the scenes.

Visual Art

The Associate of Arts degree in Visual Art is designed to provide a college level introduction to drawing, painting, color and design, 2-D design, 3-D design, ceramics, art history and photography.

Andrew means *reaching higher*

Honors Program

Andrew College students who wish to acquire additional leadership skills are invited to apply for the honors program. Students in the program benefit from honors course sections, the opportunity to attend and present at undergraduate research conferences, special field trips and other activities.

Phi Theta Kappa

PTK is a national honor society for two-year colleges. Chartered in 1953, Andrew College's Theta Lambda chapter has been nationally and internationally recognized throughout the years, including receiving awards in advising, research, and scholarly writing.

AndrewServes

The premiere servant leadership organization on the Andrew College campus, students involved in the AndrewServes program engage with nonprofits, schools and other service providers to improve the community and develop their leadership skills through service to others. Along the way, they also have a lot of fun!

Students selected as AndrewServes scholarship recipients receive some of the largest academic scholarships on campus. AndrewServes scholarships are announced each spring. However, students not on AndrewServes scholarships are welcome to participate in many service activities.

And, if you're into outdoor activities like hiking, camping, kayaking, zip lining and fishing, there are plenty of opportunities for that in the area. We're also within driving distance of Florida's Gulf Coast beaches, as well as Atlanta and the North Georgia mountains.

For water excitement, the longest urban whitewater rafting in the world is located just a short drive away in Columbus! And festivals in the area revolve around music and down-home Southern comfort food. With mild springs and cool winters, Andrew is a great place to explore the outdoors all year.

If you're not much of an explorer, don't worry. At the center of our 40-acre campus sits a public green space: the perfect location for pick-up football games and ultimate Frisbee tournaments. It's also a nice place to enjoy a book, study for an upcoming test or just soak up some sun.

Museums also abound in Columbus and Albany, and there's always shopping, movies and eating when you need a study break!

“Throughout my two years at Andrew College, I experienced some of my life’s defining moments. I am extremely proud of my accomplishments here on campus, and of the community’s accomplishments as a whole, for despite a pandemic shutting down our society, Andrew College remained resolute and strong. Andrew College is not just a school, it is a family.”

Admission

Applying to Andrew College is quick and easy. We prefer that students submit their application electronically through our website, www.andrewcollege.edu, but we also accept paper applications.

Required Admission Materials

- Completed application for admission
- Official high school transcripts
- SAT and/or ACT scores (optional)

Provisional Admission

Students who fall below the criteria for regular admission will be evaluated by the Enrollment Management Committee and will be required to participate in either an in-person or a telephone interview.

Transfer Admission

Transfer students who have completed at least 24 semester hours of college coursework do not need to submit high school transcripts as a part of the application process. However, official transcripts from all colleges attended must be provided before an admission decision is finalized.

Reflections on my Andrew journey

“I am extremely thankful for these past two years at Andrew College. God used Andrew to allow me to pursue my passion for art and to play college soccer. Some of the highlights for me include displaying my work in art shows and being captain of the women’s soccer team. Through friendly competition in class and on the field, I’ve been blessed to find friends who are now family. That family has encouraged, challenged, uplifted, and made me a better person. For me, being a Tiger has been priceless.”
